

Lesson Teacher — Complete Features Overview

Everything your child can do on the platform ■■

■ Homework Mode — NaCCA Syllabus Coverage

What it is: Complete week-by-week lessons for Basic 1 to SHS 3, following the exact NaCCA syllabus used in Ghanaian schools.

Subjects covered: Mathematics, English Language, Integrated Science, Social Studies, Chemistry, Physics, Biology, Geography, History, Government, Economics, Literature, Christian Religious Studies, Islamic Studies, French, Twi, Ga, Ewe, Dagbani, Fante, Hausa.

How it works:

1. Select your child's class and current term
2. Choose the week (Week 1–12 per term)
3. Pick a subject
4. Lesson Teacher teaches that topic with explanations, examples, and practice
5. Download notes as PDF

Best for: Daily learning, keeping up with school, understanding difficult topics

■■ Live Competition Arena

What it is: Real-time competitions with students across Ghana. Students compete in Quiz Duel, Math Race, Spelling Bee, Geography Sprint, and more.
